DECLARATION UNDER 37 C.F.R. § 1.131

Sir:

The following Declaration, in association with the disclosure submitted October 12, 2004, is submitted to establish conception in the United States of claimed subject matter in the referenced patent application and diligence to the filing of the referenced patent application on July 31, 2000, from a date prior to the effective date of the following reference relied upon by the Examiner to support rejections under 35 U.S.C. 102(e) in the Office Action dated June 13, 2006:

U.S. Patent Publication No. US2002/0021278A1 to Hinckley, et al. filed in the United States on June 6, 2001, having an earliest priority date of July 17, 2000.

In support of this declaration, we, Thomas C. Hill of Crystal Lake, Illinois, and Slim Souissi of San Diego, California, declare and sayeth the following:

That we conceived the claimed subject matter of the referenced patent application in the United States before August 24, 1999, which is prior to the effective date of U.S. Patent Publication No. US2002/0021278A1 to Hinckley, et al., in the course of employment by Motorola Inc., the assignee of the instant application by virtue of an assignment duly recorded on the Official record of the United States Patent & Trademark Office, REEL/FRAME 011201/0122;

That the claimed subject matter of the referenced patent application was the subject of a written invention disclosure prepared and executed after conception on August 24, 1999, and that the invention disclosure was subsequently submitted to a Patent Committee of Motorola Inc., the assignee of record for consideration and assignment to a patent attorney for preparation and filing of a patent application;

That each of the dates redacted from the disclosure submitted October 12, 2004, is prior to the effective date of U.S. Patent Publication No. US2002/0021278A1 to Hinckley, et al.;

That on information and belief a patent application was prepared and filed, in due course upon, in the United States Patent Office on July 31, 2000, by or on behalf of Motorola Inc.;

That all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
